Re: Maccarone v Hardy, et al.  
Docket # 17 CV 06061 (SHS) (GWG)  
Date of Accident: 2/5/17

Honorable Judge Stein:

I am an attorney in the office of Harris, King, Fodera & Correia, Counsel for the Hardy defendants in the above entitled property damage action. We have just been assigned the defense of this action. I have been advised that one of our clients has just passed away. Tiziana Hardy died on August 28, 2017. I have been in contact with the attorney who is working to constitute the estate. I respectfully request that our time to respond to the Complaint be extended until 30 days after an administrator is appointed.

This is our corrected request for an extension of time to respond to the Complaint. Our office has advised Counsel for plaintiff, Wesley M. Mullen of our client's death. He will discuss an extension of time to answer with his client. I deeply apologize for my misunderstanding of my discussion with Mr. Mullen as I thought he agreed to an extension of time to answer. Our request is of course subject to your Honors' discretion and approval.

Very truly yours,
